Dear Friends of Kairos: May peace be with you!

September always reminds me of that euphonious song, “Try To Remember”:

*“Try to remember the kind of September when life was slow and oh so mellow... Try to remember when life was so tender that no one wept except the willow...”*

However, the “911 Incident” in 2001 has since turned September into a nerve-racking month. Life seems to have lost its mellowness and becomes less gentle. This September, let’s turn to God to lead us through safely.

To Kairos Communication Service International (KCSI), September 2019 marks the beginning of a new milestone. The “Kairos New Media” (KNM) is officially “born”. Initially there will be 2 video programs updated weekly and 2 audio programs updated daily on the KNM channel on youtube.com. Two video programs, “Words Borrowed From God: Biblical English” and “Let’s Watch Movies Together” will see new episodes every Monday. The two audio programs, “Musing For The Soul” and “Two-minute Talk” will be updated every day. Other wonderful programs will be introduced once they are ready.

The bulk of the KCSI gospel productions in the past 35 years have been focusing on Audio and Video Bible study and devotional programs. The CDs, DVDs and recent SD card productions have helped many Christians and catechumens in their journey of faith. But in this era of rapid technological advancement, we need to make better use of the new media to spread the gospel.

The eras of cassettes, VHS, S-VHS have been long gone, and those of CDs and DVDs are waiving their “goodbyes”. The era of smart phones is in full swing with USBs and SD cards. KCSI is working hard to catch up with the time by using new media to proclaim the gospel.

Hence the beginning of “Kairos New Media”. We plead for your prayers and support for our cause. Please turn to our Thanksgiving and Prayer page to find detail instructions for searching and subscribing the KNW channel on YouTube. We sincerely hope that you can watch, subscribe and make suggestions to help make KNM a useful platform for proclaiming the gospel.

The first episode of “Words Borrowed From God: Biblical English” elaborates the sentence “The (hand) writing is on the wall.” derived from Chapter 5 of the Book of Daniel. The last king of Babylon, Belshazzar, was killed hours after seeing the fingers of a human hand write something on the wall. Who wrote what? Why did this sentence become the title of the theme song of Spectre (24<sup>th</sup> James Bond film)? I explained these in the episode.

The first episode of “Let’s Watch Movies Together” introduces a tear-jerking movie, “Miracles from Heaven”. This film is based on true events about the Beam family in Texas. God manifested His glory by letting 10-year-old Anna be inflicted with a rare disease and cured her miraculously. I explained that several “angels from God” helped this family fight the big change and challenge.

5. There are three churches inviting Rev. Tyson Chang to preach God’s word and to share about Kairos. The Arcadia Chapter of Full Gospel Fellowship for Business Man also invited Rev. Chang to make a testimony. Thank God for giving us the opportunity to help more people understand our visions and ministries.

6. Thank the Lord! At the August 24<sup>th</sup> fun gathering event of “Friends of Kairos” held at KCSI, former Mayor of Walnut, Eric Ching, made a touching testimony entitled “Meet God in Tribulations”. He mentioned how God saved him from the sorrows caused by the sudden death of his beloved wife in a car accident. The testimony was recorded and will be put on our website.
