Dear Friends of Kairos: Peace be with you!

As the New Year begins, all things will become new! 2020 has begun and I thank the Lord for His grace! With the invitation of the Board of Directors at Kairos, I was blessed with the opportunity to join the Kairos ministry team. Once again I was called to serve in a ministry that I had served many years ago which is the multimedia audio visual and publishing ministry. It is my desire to work together with fellow coworkers at Kairos utilizing the modern multimedia to bring the message of eternal life in Christ to the Chinese people around the world. May the Lord be pleased with our service.

Just when I have welcomed with joy the arrival of 2020 and the Lunar New Year, we found ourselves covered with a cloud of fear by the “Corona virus” epidemic. Currently, the situation had gone from bad to worse. Worrisome news kept coming out of China: the entire city of Wuhan was quarantined, large scale New Year celebration activities were cancelled, debut of New Year movies will no longer be shown, cities had turned into ghost towns where no one dared to walk on the streets, protective masks were sold out Even churches in China – for the first time since they were allowed to be re-opened, have to cease all activities, including Sunday worship services!

Even across the ocean in Los Angeles, 2 cases of the virus infection had been confirmed. Many Chinese cultural and social events had to be cancelled or postponed. And as I started to write this newsletter, United Airlines announced on 28 January that they will cancel all 24 flights between February 1 and February 8, in and out of China from the U.S. And the evacuation flight from Wuhan will arrive at March Air Force Base instead of a civilian airport. It showed how much fear and unrest were in people's hearts! How much we need the peace that only our Lord Jesus can give (John 14:27)!

Our hearts at Kairos were heavily burdened by what is happening with this crisis situation. We prayed earnestly and daily for this epidemic, petitioning God to show mercy and grace to China; to heal her people; to stop the spread of the virus! As Jeremiah 29:7 said: “Also, seek the peace and prosperity of the city to which I have carried you into exile. Pray to the LORD for it, because if it prospers, you too will prosper.”

Due to the current situation, all the Kairos activities scheduled for February has been postponed. That includes the fellowship meeting of coworkers involved with China ministries here in the Los Angeles area on February 7 and the Health seminar with Dr. Hsiao-Fen Chen talking about “Healthy Living” on February 22. New dates for the two meetings will be announced once we decide on the rescheduled dates. In the meantime, the Kairos staff will be pouring even more effort into the production of the new online (YouTube) video and audio programs. We pray that during this critical time, through the powerful medium of the Internet we can bring the Gospel of peace of Jesus Christ to our kinsmen throughout the world! Please continue to uphold our ministry and our staff in fervent prayers!

May you be blessed by 1 Samuel 25:6, “Long life to you! Good health to you and your household! And good health to all that is yours!”

His humble servant,

Rev. David Su
