CONNECTION WITH OUR BROTHERS AND SISTERS IN MAINLAND CHINA

The pandemic has disrupted our travel plans to mainland China, but the Online virtual hotline has kept us connected in the Lord. The recent good news is that after the pandemic, churches there have reopened, and theological seminaries/bible schools have resumed normal classes. However, they are also facing various challenges in the post-pandemic period.

Kairos will be giving the "Companion Walkman" as a small gospel gift to the churches, theological seminaries, and training centers we have previously visited in Mainland China. Through this gesture, we aim to bring the love of the Lord and the care of the body to our beloved brothers and sisters whom we often think of.

NEW COURSE RELEASED ON KAIROS E-LEARNING WEBSITE

The e-learning online Bible study course on the Book of 1 Kings (19 lessons) has been completed at Kairos Institute. This book explores the rise and fall of the Solomon dynasty, as well as the division of the kingdom into the northern and southern regions after his death. It also dedicates a significant portion to the life and miracles of the prophet Elijah. "Learning from the past to understand the present" is an important reminder for the world and believers today. Please also pray for the completion of the next two books, 2 Kings and Ruth.

NEW CANTONESE VIDEO PROGRAM OF "THE BIBLE SOUNDS GREAT" ON THE WAY

The Cantonese video program "The Bible Sounds Great" has continued its study of the Old Testament with the book of Jonah, which was released at the end of April. Following that, the program has proceeded to study the New Testament with the book of James. Additionally, the book of Malachi, a minor prophet, has been filmed in the Kairos studio in April and is currently in the editing stage. We urge our Cantonese-speaking brothers and sisters not to miss out on these meticulously produced Bible study video programs. We would also like to express our gratitude to the "Friends of Kairos" who have been watching and supporting our program. Please continue to pray for us.
