## *Upcoming Kairos Forum*

The "Kairos Forum" successfully completed its fifth lecture on January 5th, attracting the participation and appreciation of Chinese Christians both domestically and overseas, especially pastors and lay ministers from China. Many pastors have requested video records to be used in their churches.

Thank you to Dr. Agnes Ip and host Dr. Liu Ruomin. Please pray for the continued success of this forum, finding speakers, and the necessary funding. We also welcome recommendations for speakers! In February, Dr. Agnes Ip will continue to speak on the topic: "How to See Our Blind Spots Through Marital and Family Issues?" The event is scheduled for February 16th at 6:00 PM Pacific Time and 10:00 AM Beijing Time. Please help spread the word.

## *Bible Study Program Production Update*

**The Books of 1 Kings** and 2 Kings are crucial historical books that help us understand the history of Israel and their intimate relationship with God. The pre-recorded portion of the

Mandarin Bible study program "1 Kings" has been completed. Please pray for the completion of the remaining production in the first half of the year and for its public broadcast.

Thank you to Pastor Yu Hua for providing the source material for the **book of Judges**, and for planning to start recording the video program for the book of Judges this year. We are grateful for this initiative and project. Completing this program will require both manpower and

financial support. Please join us in prayer for the success of this endeavor.
