Ministry Update

"The combined study material for the Four Gospels, consisting of the textual materials for the books of Matthew, Mark, and Luke, has been completed with final editing and proofreading. The fourth volume, 'The Gospel of John,' is scheduled to be finished by mid-February."

Kairos Media and Presence Institute have collaborated to produce a counseling-oriented program called 'Living Life,' which will be launched in late February. This season's 13 episodes will focus on family, marriage, parent-child relationships, and mental health, divided into three segments for the elderly, middle-aged, and youth. 'Living Life' is available in both Mandarin and Cantonese versions, so please stay tuned for its release.

Please Pray for Us

In mid-January, Southern California experienced heavy rain, causing severe water leakage in two of Kairos' office rooms. The staff worked tirelessly to absorb the water and clean up to prevent mold growth and protect the health of the team members. Please pray for us to identify the root cause of the leakage and ask God to provide an experienced contractor to help resolve this long-standing issue.

And now these three remain: faith, hope and love. But the greatest of these is love.

1 CORINTHIANS 13:13

Everyone needs love, but the love of family, friendship, and romantic relationships has its limits. Only God's love is perfect, full of compassion, and never leaves nor forsakes us. As we receive God's love, we are also called to spread His love.
