Ministry Update

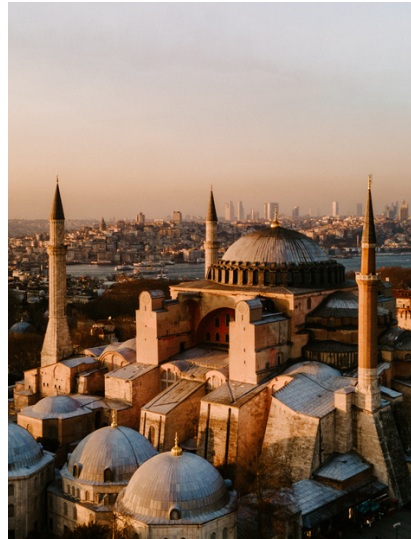

Kairos is currently preparing to develop a **new mobile app**. This new app will serve as a platform to gather all the biblical and spiritual materials created by Kairos, making it convenient for everyone to watch or listen to their favorite Kairos programs.

Kairos is currently preparing to shoot and post-produce biblical study programs, including "1 Kings," "Judges," and "Isaiah" studies. Thanks to God, considering the demand for a focus on biblical study programs, Kairos has also launched a new YouTube channel called "Bible 101." We will gradually upload the completed biblical study programs on this channel for everyone's convenience.

Seeing Turkey, Returning to Asia

Turkey, a country spanning Europe and Asia, is a significant part of history frequently mentioned in Jin Yong's works, with references to the Turkic people. The Ottoman Empire, a glorious entity in European history, is also a part of Turkey's history. When it comes to studying biblical history, both the Old and New Testaments have close connections to Turkey. Kairos, in collaboration with Timothy International Discipleship Training, is currently preparing to produce a cross-cultural missionary series titled "Seeing Turkey, Returning to Asia." It will be released later this year. Your prayers are greatly appreciated!

But thanks be to God, who always leads us as captives in Christ's triumphal procession and uses us to spread the aroma of the knowledge of him everywhere.

2 CORINTHIANS 2:14

Christians can reflect on the resurrection of Jesus through Easter. However, the power of Jesus' resurrection is present daily for those who trust in Him. He leads us to triumph in all places.
