Seasons to celebrate mothers and fathers

May and June are the seasons in the United States to celebrate and appreciate mothers and fathers, and we are grateful for the love and responsibility parents have in raising their children. In our spiritual journey, as Christians, we also need to grow as spiritual parents and lead disciples. Kairos is willing to take up the responsibility of shepherding, providing biblical study, spiritual nourishment, and online courses, striving to become a source of biblical resources and a spiritual nourishment storehouse to nurture the flock.

"**The Kairos Forum**" will hold its ninth lecture on May 18th, from 20:30 to 22:00 (Beijing time). This will be the third session of Professor Feng Shuxian's series on pastoral counseling skills. The topic will be "Understanding Mental and Psychological Disorders."

The Bible course on the Old Testament historical books "**1 Chronicles and 2 Chronicles**" has been completed. This is a great curriculum for group and individual study to explore and study the Bible. You are welcome to visit the Kairos Institute website and use it for learning.

The Cantonese program "**The Bible Sounds Great**" is currently airing "1 John, 2 John, and 3 John" on Kairos Media. Just like the early Church, today's churches also face the challenges of heretical teachings and an increase in lawlessness, leading to a decline in Christian love. May studying the letters of Apostle John help us grow in both truth and love.

And the things you have heard me say in the presence of many witnesses entrust to reliable people who will also be qualified to teach others.
