Seeing Turkey, Returning to Asia *Ministry Update*

The volunteer couple, Elder and Mrs. Lam Man Ching, responsible for Kairos Cantonese ministry, participated in the inaugural "TIDT Cross-Cultural Mission Experience: Seeing Turkey" in March this year. During the trip, they explored the seven churches mentioned in the book of Revelation, retraced the footsteps of Apostle Paul's three missionary journeys, and experienced cross-cultural missions first-hand. Upon their return, they specially invited Pastor Shen Yong, the director of Timothy International Discipleship Training (TIDT), who organized the mission trip, to share the vision with Kairos. The team members were greatly inspired by the shared experiences. Thank God for giving us a common passion and willingness to collaborate on the "Seeing Turkey, Returning to Asia" cross-cultural missions video series for the gospel work.

The relationship between Kairos International Media and Far East Broadcasting Company (FEBC) dates back to the early 1980s. Thank the Lord! Our shared vision and mission have connected the younger generation of both organizations. On March 28th, the General Secretary, Dr. Cheng Huang Feng Ying, and Director Li Yun led a team of five Kairos coworkers to visit Dr. Cheng Dong Chang, the General Secretary of the Chinese Ministry Department at FEBC. Together, they discussed how to spread the Gospel more widely and effectively through cloud technology. On May 18th, we were honored to welcome Dr. Cheng Dong Chang and his wife from FEBC's Chinese Ministry Department to Kairos. We further shared the challenges in mission work and exchanged visions for mutual prayer and cooperation.

In this era of information explosion and widespread AI, what we lack is not theological knowledge and theory, but rather life experiences and insights, as well as a commitment to take action and dedicate ourselves to the Great Commission.
